

**Peds Research Week 2020  
May 26-29, 2020  
Various Presenters**

*Provided by the University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP)*

**Intended Audience:**

Department of Pediatrics Faculty, Fellows, Residents, and Students

**Objectives:**

As a result of this educational regularly scheduled series, learners will be able to:  
 Describe key attributes of a successful Quality Improvement project  
 Identify best practices for developing research projects to facilitate career advancement  
 Discuss mechanisms for promoting collaborative research in Pediatrics  
 Explain at least 3 QI initiatives presented during the activity  
 Summarize best practices in Translational Research

**Policy on Disclosure**

It is the policy of the University of Wisconsin-Madison ICEP that the faculty, authors, planners, and other persons who may influence content of this CE activity disclose all relevant financial relationships with commercial interests\* in order to allow CE staff to identify and resolve any potential conflicts of interest. Faculty must also disclose any planned discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). For this educational activity, all conflicts of interest have been resolved and detailed disclosures are listed below.

\* The University of Wisconsin-Madison ICEP defines a **commercial interest** as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The University of Wisconsin-Madison ICEP does not consider providers of clinical service directly to patients to be commercial interests.

<b>Name/Role</b>		<b>Financial Relationship Disclosures</b>	<b>Discussion of Unlabeled/Unapproved uses of drugs/devices in presentation?</b>
