

Graduate Medical Education Diversity Social Hour for URM Applicants

UW Health and the University of Wisconsin School of Medicine and Public Health are committed to building a culture in which the values of diversity, equity, and inclusion are embedded into all of our clinical, teaching, and research activities. We know life in Madison, WI is about more than just work and the opportunities to connect and network are critical. We hope you can join us for a Virtual Diversity Social Hour to hear from staff, residents, fellows, and faculty of color and other groups underrepresented in medicine about life in Madison. All applicants are welcome!
